Gifts for her:

- **Align™ Tank:** A staple. The Nulu™ fabric you know and love, this time in a top. You can't go wrong with our wide variety of color choices. Tank tops not her thing? Try one of our Align™ t shirts.
- **Define Jacket:** These sleek, form fitting jackets are perfect to layer on top for a run or under a jacket for running errands in the cold. This is a longtime fan favorite. Plus it has thumb holes to help keep the sleeves down when you're on the move.

Gifts for him:

- **At Ease Hoodie:** If you're not sure he wants a workout top or something for every day, don't worry! This hoodie is the best of both worlds. It is naturally breathable while still aesthetically pleasing. So he can wear it in the gym or out with his friends.
- **ABC Jogger:** You've heard of the ABC pant, you know, the one that stops people from ever buying a different dress pant. Take that technology and make it even more comfortable by turning it into a jogger. We promise, this won't be a gift they regret.

Looking for something smaller for a stocking stuffer? Don't worry, we have you covered with those too.

- **Everywhere Belt Bags:** This year's HOT item. Come check out our myriad of color choices; if you're lucky, you may even spot a fleece one.
- **Chevron Knit Pom Beanie:** Just one of many different style beanies we have. This beanie is lined with soft fleece to keep you extra warm and cozy on a cold winter day.

Whether you're coming in store or want to do a curbside pickup, we are more than happy to help you pick out the perfect gift for everyone in your life!

If you're still not sure what to get, don't worry, you can never go wrong with a gift card!
